

# 2025 KAFLE-KAMALL Joint International Conference

## Human-AI Synergy in the Post-Digital Era: Empowering Future Language Education

We are pleased to announce the 2025 Joint International Conference under the timely theme of “Human-AI Synergy in the Post-Digital Era: Empowering Future Language Education.” As artificial intelligence technology continues to advance rapidly, we aim to explore effective language education methods through harmonious collaboration between humans and AI, share innovative teaching and learning methodologies and research outcomes, and present a new paradigm for future language education. We invite your active participation and interest in this significant academic event.

**Date: Saturday, September 27, 2025**

**Venue: Myongji University (Seoul)**

**Title Submission Deadline: February 28, 2025 (Friday)**

**Abstract Submission Deadline: June 30, 2025 (Monday)**

### Keynote Speakers

---

◆ Dr. Glenn Stockwell (Waseda University)

- Professor of Applied Linguistics at the Graduate School of International Culture and Communication Studies
- Editor-in-Chief of Computer Assisted Language Learning and Australian Journal of Applied Linguistics
- Research interests: Integration of technology into language teaching, learner training, language teacher professional development, and artificial intelligence in language teaching and learning

◆ Dr. Chin-Chung Tsai (National Taiwan Normal University)

- Dean, School of Learning Informatics, National Taiwan Normal University, Taiwan
- Director, Institute for Research Excellence in Learning Sciences, National Taiwan Normal University, Taiwan
- Editor-in-Chief of Computers & Education
- Research Interests: Learning sciences, science education, epistemic beliefs, and technology-enhanced instruction

### Plenary Speakers

---

◆ Prof. Nam Ju Kim (Yonsei University)

- Associate Director, Institute for Educational Research

- **Research Interests:** Design for learner-centered instructional model/online learning environment, artificial intelligence in education, educational technology, big data mining

◆ Prof. Sangmin Lee (Kyung Hee University)

- Associate editor of Language Learning and Technology, Humanities and Social Sciences Communications, and JALT-CALL.
- Research interests: Technology-enhanced learning environment, machine translation, game-based learning, and digital creativity

## **Presentation Guidelines**

---

### **Presentation Types:**

Oral Presentations (On-site and Online)

Poster Presentations

### **Research Areas include but are not limited to:**

Language Education Methodologies in the Post-Digital Era

Design and Evaluation of AI-based Language Education Systems

Development of Human-AI Collaborative Teaching and Learning Models

Innovation Cases in Multimedia-based Language Education

Other Related Research Fields

### **Important Deadlines:**

Title Submission : February 28, 2025 (Friday)

Abstract Submission : June 30, 2025 (Monday)

Abstract Length: Approximately 250 words

### **Title Submission Method:**

Please submit via the link below:
